Summary

I'm 24 years old. I graduated High School in June 2018. I graduated from Victor Valley College with my A.S in Early Childhood and my A.S in Child Development. I'm currently going to school to get my Bachelors in Liberal Studies. I currently work for LAUSD as a teacher assistant. My previous job I used to work at a school as a paraeducator for the past year and a month. I'm very good at multitasking and can be calm during chaotic situations. I'm very organized and a fast learner. I stay positive wherever I go and I will not let my personal problems get in the way. I'm very good with people and I'm great with kids and can keep calm during any situation.

Education

Hamilton High School

Graduated - June 2018

Victor Valley College

Graduated- 2022

I've been in my school's soccer team, was in the stage tech program and was also part of a club at my school called best buddies which was us helping out kids with special needs in their homework and socializing with them.
