I have more than 27 years of experiences in teaching **Preschool, Kindergarten-elementary and middle school students**. In my teaching career, my focus is love and creating opportunities for the children to become honest, confident and successful in their life. My creative teaching method helps the child to be a good human being in the community as well as the world. I am an expert in developing teams and individuals and I have excellent communications skills. I enjoy working with children and their parents.
