## Work Experience

---

### **Special Education Aide**

KIPP SoCal Public Schools-Compton, CA

January 2024 to Present

- Provided one-on-one support to students with special needs, assisting them in their academic and social development
- Implemented individualized education plans (IEPs) under the guidance of special education teachers, ensuring that students' specific goals and objectives were met
- Collaborated with classroom teachers to modify curriculum materials and adapt instructional strategies to meet the diverse learning needs of students
- Assisted in creating a positive and inclusive classroom environment by promoting acceptance, understanding, and respect for all students
- Supported students during transitions between activities or classes, helping them navigate the school environment safely and independently
- Utilized various assistive technologies and adaptive equipment to facilitate student participation in classroom activities
- Monitored student progress through data collection and observation, providing feedback to teachers on areas of improvement or additional support needed
- Implemented behavior management strategies outlined in IEPs or behavior intervention plans (BIPs), fostering a positive learning environment for all students
- Collaborated with other professionals such as speech therapists, occupational therapists, and psychologists to implement recommended interventions or accommodations for students
- Assisted in preparing instructional materials tailored to individual student needs, including visual aids, worksheets, or sensory tools
