EXPERIENCE

Kainga Music

Grant Writer

Oceanside, CA
December 2025 - March 2026

- Proposed and submitted multiple local government grants for more than \$50,000
- Organized a data system for grant management

Peace Corps

Program Coordinator, Youth Development

Baguio City, Philippines
Dec. 2023- Nov. 2025

- Designed and implemented a 14-month community program engaging 80 parents of children with special needs through culturally responsive, information-based workshops promoting sustainable family support.
- Developed a comprehensive 3-year program proposal and trained local counterparts in monitoring and evaluation to ensure long-term continuity and local ownership of initiatives.
- Organized and led two consecutive healthy living summer camps for 30 at-risk youth, integrating physical wellness, emotional health, and creative engagement into daily activities.
- Facilitated 10+ life skills and mental health workshops in partnership with local government units, empowering over 300 youth across three municipalities in leadership and personal growth.

Administrative Coordinator, Volunteer Advisory Committee

Aug. 2024 - Nov. 2025

- Represented 138 volunteers as a liaison between the volunteer body, local staff, and Peace Corps administration, ensuring transparent and effective communication across all levels.
- Coordinated and facilitated the operations and logistics of a professional development retreat for 20+ volunteers and staff, leading to strengthened team cohesion and mutual trust.

My Density Matters

Program Development Intern

Sept. 2022 – May 2023

- Developed a comprehensive two-year strategic plan for a community-based women's health advocacy program, focusing on education, outreach, and sustainable impact.
- Co-executed a high-impact fundraiser that sold over 2,000 awareness packages, successfully raising funds and public attention for breast density awareness.
- Spearheaded marketing efforts for a social awareness initiative, leading to new partnerships and funding opportunities with both local organizations and statewide donors.

A Precious Child

Program & Events Intern

Broomfield, CO
May 2022 - August 2022

- Boosted community engagement and funding by implementing donor-focused marketing for enrichment programs serving underprivileged youth.
 - Guided 10 teen clients through scholarship applications and educational opportunities, promoting long-term academic and personal success.
 - Led volunteer teams of 15 members to distribute essential supplies for child beneficiaries efficiently, enhancing program reach and impact.
-

EDUCATION

University of Colorado, Boulder

B.A. Psychology

Boulder, CO
Aug. 2019- May 2023
